

## The Warden: Original and Unabridged

Filesize: 4.12 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace, United States, 2014. Paperback. Book Condition: New. Original, Unabridged. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Warden is the first novel in Anthony Trollope's Chronicles of Barsetshire series. Mr Septimus Harding is the meek, elderly warden of Hiram's Hospital and precentor of Barchester Cathedral, in the fictional county of Barsetshire. Hiram's Hospital is an almshouse supported by a medieval charitable bequest to the Diocese of Barchester. The income maintains the almshouse itself, supports its twelve bedesmen, and, in addition, provides a comfortable abode and living for its warden. Mr Harding was appointed to this position through the patronage of his old friend the Bishop of Barchester, who is also the father of Archdeacon Grantly to whom Harding's older daughter, Susan, is married. The warden, who lives with his remaining child, an unmarried younger daughter Eleanor, performs his duties conscientiously. The story concerns the impact upon Harding and his circle when a zealous young reformer, John Bold, launches a campaign to expose the disparity in the apportionment of the charity's income between its object, the bedesmen, and its officer, Mr Harding. John Bold embarks on this campaign in a spirit of public duty despite his romantic involvement with Eleanor and previously cordial relations with Mr Harding. Bold starts a lawsuit and Mr Harding is advised by the indomitable Dr Grantly, his son-in-law, to stand his ground. George Orwell called the novel probably the most successful of Trollope's clerical series, and one of his best works but noted that Trollope, though a shrewd critic, was no reformer. A time-honoured abuse, he held, is frequently less bad than its remedy. He builds Archdeacon Grantly up into a thoroughly odious character, and is well aware of his odiousness, but he still prefers him to John Bold, and the...
