

Strategy in a Week: Strategic Thinking Skills in Seven Simple Steps

By Amanda and Greg Gregory Professor of the Civil War Era
Stephen Berry

Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. Strategic thinking just got easier For most aspiring managers, at some point in their careers, their Personal Development Plans will include the demand to have greater strategic thinking ability . We have the perception that executives operating at board-level have this strategic thinking ability but seldom find the route to obtain it for ourselves. The purpose of this book is to provide that route. Strategy, like any other discipline, can be learned and practised. This book takes you on a journey to explore what organizational strategy is, where it fits within the context of each business, and then gives an examination of internal, external, marketing, brand and competitive strategy. To progress to an executive position, a wide range of skills and attributes are required. Aspects such as good leadership skills, strong communication skills, commercial understanding and the ability to understand other people are all needed. Equal with these vital elements is the ability to have a good grasp of strategic thinking. Strategy In A Week provides the platform for you to acquire the vital skills of strategic thinking. Whether...
