MINECRAFT GATE: THE ULTIMATE GUIDE TO MINECRAFT FENCE GATE

[DOWNLOAD](#)

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Minecraft fence gate is a block that, like the name suggest, serves the purpose of allowing players or entities to pass through a fence, by means of a gate mechanic which can be closed and opened. It is a fairly simple block, yet useful for both aesthetic and practical use. A simple example of usage would be to create a small area that is fenced off, placing animals inside and allowing passage in and out of the area by means of a fence gate. Legal Disclaimer: Author of the book is not associated with the game or its creators. This is an unofficial guide.
