Notes to My Children

By Frank Roseman

New Generation Publishing, United States, 2004. Paperback.
 Book Condition: New. 203 x 127 mm. Language: English . Brand
 New Book ***** Print on Demand *****.This book is an
 instruction manual which, although written with the author's
 children in mind, can be applied in practice by anyone. It gives
 clear and concise guidelines and instructions on how to
 achieve high grades at school and then leads the person
 through to maturity, along the way introducing new theories
 and suggestions which may help them, if applied correctly and
 rigorously adhered to. The author also strongly takes the
 Government, and not necessarily the Government of the day,
 to task and boldly points out the anomalies in today's society,
 touching on the sensitive subjects of one-parent families, non-
 heterosexual relationships, and other such politically correct
 issues and concerns. Definitely an interesting read and a must
 for anyone who likes a structured and orderly lifestyle.
