Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Mosby, United States, 2015. Online resource. Book Condition: New. 11th. 235 x 159 mm. Language: English . Brand New Book. This is a Pageburst digital textbook; The definitive endodontics reference, Cohen s Pathways of the Pulp is known for its comprehensive coverage of leading-edge information, materials, and techniques. It examines all aspects of endodontic care, from preparing the clinician and patient for endodontic treatment to the role the endodontist can play in the treatment of traumatic injuries and to the procedures used in the treatment of pediatric and older patients. Not only does Hargreaves and Cohen s 10th edition add five chapters on hot new topics, it also includes online access! As an Expert Consult title, Cohen s Pathways of the Pulp lets you search the entire contents of the book on your computer, and includes five online chapters not available in the printed text, plus videos, a searchable image collection, and more. For evidence-based endodontics research and treatment, this is your one-stop resource! A diverse and respected group of contributors includes experts such as Louis Berman, Gerald Glickman, Richard Walton, Gary Hartwell, and many more. Preparation for Treatment chapter examines the issues that must be addressed before nonsurgical root canal treatment can begin, including proper infection control and occupational safety procedures for the entire health care team and treatment environment, appropriate communication with the patient (including case presentation and informed consent), premedication, effective administration of local anesthesia, a quality radiographic or digital-image survey, and thorough isolation of the treatment site. Cleaning and Shaping of the Root Canal System chapter includes a new section on preventing/treating sodium hypochlorite accidents, and also addresses the framework of root canal treatment, the technical and clinical issues surrounding cleaning and shaping, and canal preparation and cleaning techniques. Records and Legal Responsibilities chapter includes legal forms and descriptions...
