The cake base collar sits flat on a displayboard, with the repeating circular decor extending outward from the cake side approximately 2.75. The actual outer dimensions of the cake base collar itself are larger than that of the cake top collar to accomodate the entire circular design surrounding the cake base. The cake collar base interior diameter is sized to fit a 10 square cake. If it is desired to have the cake collar top and cake collar base match in size, this can be achieved simply by using the cake collar top template enclosed for both collars.
