Health Systems in Transition Template for Authors: As Adapted for Use in the Asia Pacific Region

By World Health Organization: Regional Office for the Western Pacific

WHO Regional Office for the Western Pacific, Philippines, 2014. Paperback. Book Condition: New. 250 x 210 mm. Language: English . Brand New Book. The Health Systems in Transition (HiT) profiles are country-based reports that provide a detailed description of a health system and of reform and policy initiatives in progress or under development in a specific country. Each profile is produced by country experts in collaboration with an international editor. In order to facilitate comparisons between countries, the profiles are based on a template, which is revised periodically. The template provides detailed guidelines and specific questions, definitions and examples needed to compile a profile. The HiT profiles can be used to inform policy-makers about experiences in other countries which may be relevant to their own national situation. They can also be used to inform comparative analysis of health systems.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
