

The Progressive Speller: A Complete Spelling Book, Arranged for Advanced Primary, Intermediate, and Grammar Grades (Classic Reprint)

Filesize: 7.08 MB

Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

THE PROGRESSIVE SPELLER: A COMPLETE SPELLING BOOK, ARRANGED FOR ADVANCED PRIMARY, INTERMEDIATE, AND GRAMMAR GRADES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Progressive Speller: A Complete Spelling Book, Arranged for Advanced Primary, Intermediate, and Grammar Grades The object in preparing this book is to meet the requirements of a progressive age, which calls for something more in spelling than the mere conning of columns of words, isolated from language, and too frequently without meaning or interest to the learner. The following are among the principles observed and the features made prominent: - 1. Reasonable time and space are given to the meaning and use of words in connection with their spelling. 2. Since we speak English more than we write it, correct pronunciation is given place in proportion to its importance, though all marks and dots are valueless unless their significance is learned and carefully applied in every-day practice. 3. Effort is made to render the work attractive as well as useful to the learner by the introduction of letter-writing; by word and sentence building; by giving variety in arrangement; and by conforming, in subject-matter, to the capacity of the average child and the natural order of mind growth. 4. The seat work involved throughout the book is more than copy work, - it implies work with words. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of...
