

The Orator's Education: v. 3, Bk. 6-8 (New edition)

Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

THE ORATOR'S EDUCATION: V. 3, BK. 6-8 (NEW EDITION)

Harvard University Press. Hardback. Book Condition: new. BRAND NEW, The Orator's Education: v. 3, Bk. 6-8 (New edition), Quintilian, D. A. Russell, Quintilian, born in Spain about A.D. 35, became a widely known and highly successful teacher of rhetoric in Rome. The Orator's Education (Institutio Oratoria), a comprehensive training program in twelve books, draws on his own rich experience. It is a work of enduring importance, not only for its insights on oratory, but for the picture it paints of education and social attitudes in the Roman world. Quintilian offers both general and specific advice. He gives guidelines for proper schooling (beginning with the young boy); analyses the structure of speeches; recommends devices that will engage listeners and appeal to their emotions; reviews a wide range of Greek and Latin authors of use to the orator; and counsels on memory, delivery, and gestures. Donald Russell's new five-volume Loeb Classical Library edition of The Orator's Education, which replaces an eighty-year-old translation by H. E. Butler, provides a text and facing translation fully up to date in light of current scholarship and well tuned to today's taste. Russell also provides unusually rich explanatory notes, which enable full appreciation of this central work in the history of rhetoric.
