LIFE PRINCIPLES FOR FOLLOWING CHRIST

AMG Publishers. Paperback. Book Condition: New. Paperback. 56 pages. Dimensions: 10.5in. x 8.2in. x 0.2in. How Do You Visualize Christ When we think of Jesus Christ, we conjure up different images. Sometimes we see Christ as a sacrificial lamb, while at other times we see him as the conquering King of kings, the great I AM! Sometimes, we see Jesus as the gentle master-teacher or Rabbi, while other images picture a warrior ready to do battle with His enemies. Life Principles for Following Christ looks at Christ in both the Old and New testament (paradoxes and all) and shows how Scriptures unveils a complete portrait of rare value, a picture of God Himself, revealing His holiness, His love, His power, and His awesome plans and purpose for man. This latest installment in the Following God line of Bible studies can be seen as a collection of twelve portraits of Christ-portraits that reveal Jesus in His multifaceted Glory, view Him in His magnificent beauty, and allow us to experience Him in the magnitude of His Power. Each portrait expresses something unique about His person and His work. Each conveys an avenue of worship and surrender, a point of love and adoration, and a path of obedience to follow. In the pages of this book, you will find answers to such questions as: What was Gods purpose in creating mankind in the first place What role does Christ play in this purpose For what purposes did the Angel of the Lord appear in the Old testament What does the occasional, ancient appearance of this Angel have to do with Jesus of Nazareth Are you looking to God as your Prophet, Priest, and King Christ is pictured in various scriptures as the Lamb of God. What does the picture of a lowly lamb have...
