

## Unpacking Complexity in Informational Texts: Principles and Practices for Grades 2-8 (Hardback)

By Sunday Cummins

Guilford Publications, United States, 2014. Hardback. Book Condition: New. 259 x 185 mm. Language: English . Brand New Book. To acquire content knowledge through reading, students must understand the complex components and diverse purposes of informational texts, as emphasized in the Common Core State Standards. This practical book illuminates the ways in which a text's purpose, structure, details, connective language, and construction of themes combine to create meaning. Classroom-tested instructional recommendations and kid-friendly explanations guide teachers in helping students to identify and understand the role of these elements in different types of informational texts. Numerous student work samples, excerpts from exemplary books and articles, and a Study Guide with discussion questions and activities for professional learning add to the book's utility. This is a valuable guide for teachers in grades 2-8, academic coaches, site administrators, and curriculum directors implementing the Common Core standards to increase the rigor and level of reading in all content areas. Instructional strategies, sample lessons, anchor charts, examples of student work, and interactive templates are provided in each chapter. Teachers and those engaging in professional development can use this book to support their efforts to plan lessons that require students to engage with text,...
