*It is one of the best books. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Divine healing Is it scriptural or unscriptural This is a question which it is not easy to answer in a single sentence. Many passages on healing may be cited from Gods Word, but that raises the question of their interpretation-in accord with the context and also in harmony with the general Analogy of Faith: as it also calls for a careful examination of all inferences drawn from and conclusions based upon those passages. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar. Born to Christian parents, prior to conversion he migrated into a Theosophical society and quickly rose in prominence. His conversion came from his fathers patient admonitions from Scripture. It was Proverbs 14: 12, there is a way which seemeth right unto a man, but the end thereof are the ways of death, which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
