Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Einhard was a medieval scribe who wrote a short biography of Charlemagne, the Father of Europe. Upon the death of his father, Pepin the Short, in 768, Charlemagne became King of the Franks, and he proceeded to create one of the largest European empires since the collapse of Rome. Through his conquests across Western Europe and Italy, Charlemagne became the first Holy Roman Emperor after a famous imperial coronation by Pope Leo III. In becoming the first Holy Roman Emperor, Charlemagne essentially established the new order on the European continent, thereby directly influencing how European politics and royalty proceeded in the coming centuries. As if to demonstrate how large he loomed in life, Charlemagne was numbered Charles I in Germany, France, and the Holy Roman Empire. Charlemagne is also viewed as having brought about the Carolingian Renaissance, a revival of art, religion, and culture through the Catholic Church that predated the Italian Renaissance by centuries.
